Welcome to NEC's Bounty Registration Program!

Over the years, NEC has valued its partnerships with solution providers and relied on their efforts to seek out and foster new business for its display products. With its Bounty Program, NEC rewards you with cash for such efforts – from merely joining an NEC rep on a sales phone call to bringing us lucrative sales opportunities.

Solutions Providers can earn extra \$\$\$ by registering their bounty opportunities on an introductory call or sale!

If you would like more information on NEC's Bounty program, please contact NEC Display Solutions at 1-866-771-0266.
